INDEF MID-TERM MEETING

Indian Engineers Federation (INDEF), North Eastern Region Mid-Term Meeting is to be held at Aizawl on the 17th. August, 2006. The meeting is to be hosted by the Mizoram Engineering Service Association (MESA) for the second time. The first time was when MESA hosted the Annual Council Meeting of the erstwhile Eastern Regional Federation of State Engineering Services Association (ERFSESA) at Synod Conference Centre on the 28th. April, 1993 which was inaugurated by the then Chief Minister of Mizoram - Mr. Lal Thanhawla, now Leader of Opposition in the present Mizoram Legislative Assembly. In fact, this year is the turn of the Assam Engineering Service Association to host the meeting. But due to unfortunate circumstances, the responsibility fell into the hands of MESA at the very last minute.

The meeting will be held in the Tourist Lodge, Chaltlang where most of the delegates will also be put up. MESA welcomes all the delegates from the North Eastern States who have made the long and tedious trip to this remote corner of the country inspite of their busy schedules. Welcome to the **Totally Dry City of Traffic Jam**. By the way, in Aizawl, if we are in hurry, we don't hitch a ride or hop into a cab. We take a walk!

The MESA Executive Meeting appointed the following members to shoulder the various responsibilities in order to make this meeting a success :

Accommodation :

- (1) Er. Vanlalmuana, EE, PWD - Convener.
- (2) Er. David Laltanpuia, SDO, PWD
- (3) Er. Samuel Zothankhuma, SDO, PWD

Reception & Transport :

- (1) Er. H. Zoliana, EE, P&ED - Convener.
- (2) Er. Lalthanzuala, SDO, PWD

26th. MESA ANNUAL CONFERENCE

The 26th. MESA Annual Conference was successfully held in the southern capital of Lunglei during the 27th. & 28th. April 2006. Hosted by Lunglei Sub-Headquarters, the conference was a grand success in many ways. However, due to the lethargy of your dear Editor, one of his many vices which crept in time and again, members could not read about it sooner. So an old story is being made new. My apologies, once again folks. Followings are the resolutions passed during the Conference :

1. Induction of Engineers in Technical Secretariat :

There are lots of technical matters to be dealt in the Technical Secretariat which are difficult to apprehend for non-technical persons. For this reason, many States and Central Government have already inducted Engineers in their Secretariat. Even in Mizoram, the State PWD have the posts of Secretary and Under Secretary (*Technical*) being occupied by Engineers, which immensely helps in the smooth functioning of work. Therefore, it is resolved that the Government immediately induct Engineers in the Secretariat of Power & Electricity Department and Public Health Engineering Department.

2. Engineer's Pay :

In almost every Pay Commission/Revision, there have always been discrimination against the Engineers by way of lowering their pay scales whereas the pay scales of other services have seen remarkable hikes. In order to seek justice, the Engineers approached Court of Law. After a decade of patience, engineers were shown justice by both the High Court and Supreme Court. In spite of objections from various angles, the government have set right the wrongs inflicted to the engineers and given back their rightful claim. It is resolved that in future, Engineers be treated at par with other Organised Services of the State.

3. Mizoram Engineering Service Rules :

There are few clauses which needs amendment in the Mizoram Engineering Service Rules, 2001. Since this matter is being pursued, it is resolved to continue to pressure the Government for immediate amendment.

4. Formation of Directorate of Technical Education & Training :

It is felt that in order to improve Technical Education in Mizoram, formation of separate Technical Directorate is a must. As in most of other States, Technical Education be under separate administration and Directorate of Technical Education & Training be set up immediately.

In pursuance of AICTE's permission received way back in 23rd. July, 1999, it is also resolved that Mizoram Govt. set up an Engineering College.

5. Amendment of MESA Constitution :

MESA Constitution is amended as follows :

- a) Amongst the MESA Office Bearers, the Editor of the Association Bulletin/Journal is entrusted with matters concerning informations and publicity. Hence, the post of Editor is renamed as Secretary, Information & Publicity.
- b) It is agreed to create one post of Jt. Secretary. All those members who are not in PWD, P&ED and PHED shall be represented by Jt. Secretary, i/c Other Engineers. For the year 2006-2007, the Executive Committee shall appoint Jt. Secretary, i/c Other Engineers.
- c) The present Life Membership Fee of Rs. 2000/- is unanimously increased to Rs. 3000/-.

6. Formation of Urban Development Dept. :

It is learnt that the Government is trying to set up an Urban Development Department by separating the Town & Country Planning Cell from LAD to be manned by a Jt. Director. It is also learnt that progress is being made to set up an Aizawl Development Authority. MESA supports formation of Urban Development Department. However, to make it a meaningful and functionable department, it is resolved that technical personnel be inducted and recruited to make it a Wrks Department.

7. Insertion of one pay grade between EE leh SDO/AE :

In our present pay structure, one has to skip one grade when promoted from SDO/AE to EE. There are many SDOs/AEs who has served in the same grade for 20 years. In order to lessen the problem of stagnation at the entry level, it is resolved that the Government be urged to make additional grade in between AE/SDO and EE.

8. Vehicle Entitlement :

In pursuance of Government's Vehicle Privatisation Policy, EE and SDOs are being disowned of their inspection vehicles. If field officers in Technical Departments are without means for field inspection, it is imperative that quality of work will suffer. It is, therefore, resolved that all Field Officers in the Technical Department be handed back their Inspection Vehicles.

9. Filling-up of Vacant Technical Posts :

There are numerous vacant posts under the Mizoram Engineering Service which remains unfilled even today hampering the smooth progress of work. It is resolved that the Government, without being bias to any particular service, immediately fill-up the vacant technical posts in Engineering Departments.

10. Physical action against MESA member :

Our member, **Er. V. Lalramzauva**, SDO, PWD Phullen Sub-Division, and his Junior Engineer, in the course of discharging their duty, was kept in custody against their will by **Mr. MC Lalfala**, Contractor and his labourers on 27th. March, 2006 at midnight. The contractor and his men verbally intimidated and hit our member, shedding a lot of blood. MESA thanked the people of Phullen town for rescuing our member and vehemently condemn the acts of Mr. MC Lalfala. The Conference resolved that this kind of incident should not happen to MESA members in the future.

MESA Sub-Headquarters Report

- Er. C. Lalunghnema,

Secretary, MESA Sub. Hqrs., Lunglei

On behalf of MESA Sub-Headquarters, Lunglei, Greetings to all members of Mizoram Engineering Service Association.

On 13th. June, 2002, MESA Sub-Headquarters election was held at Tourist Lodge, Zotlang, Lunglei under the guidance of Er. L. Pachuau, President, MESA and other office bearers of the Headquarter. The first elected Office Bearers of the Sub-Headquarter for the term 2002 - 2003 were as follows :

President - Er. John Rammawia, SE, PWD
Vice President - Er. Lalduhzuala Sailo, EE, P&ED
Gen. Secretary - Er. Anup Chhetry, EE, PHED
Treasurer - Er. Lalthmingliana Bawitlung, EE, PWD

In the course of time, members were transferred out of Lunglei Town. Without holding an election, vacant posts were filled up and the Association functioned smoothly.

On the 14th. October, 2005, MESA Sub-Headquarters Annual Meeting was held in the Mizoram Polytechnic Conference Hall wherein new Office Bearers were elected. The election was conducted by Er. Lalthanzuala, Editor, MESA Journal & Bulletin. The followings were the newly elected Office Bearers for the term of office 2005 - 2007 :

President - Er. Lalduhzuala Sailo, EE, P&ED
Vice President - Er. Vanlaluata Sailo, EE, PWD
Secretary - Er. C. Lalunghnema, EE, PHED
Asst. Secretary - Er. K. Zodingliana,
Principal, Mizoram Polytechnic.
Fin. Secretary - Er. F. Lalrinsanga, EE, PHED
Treasurer - Er. C. Lalthlamuani, AE, PWD

In addition to the above, three Advisers were nominated and eight Executive Committee members were appointed whose term will be for the year 2005 - 2006. There are about 50 members within the jurisdiction of the Sub-Headquarters as demarcated by the Headquarter.

The spirit of camaraderie and fraternity within the engineering circle is appreciable in Lunglei. Our contributions during the Pay Movement, the relationship and support we shared with our Sub-ordinate Associations during these hard times is encouraging.

Donations to the tune of Rs. 2000/- & Rs. 3000/- per Working Divisions were collected two times. Executive Committee has been held 16 times, the venue and expenses of which have always been borne by our Advisers, OBs and Committee Members. The present financial status of the Headquarters is as follows :

A) Receipt :

a) Opening Balance	- Rs.	3,587.00
b) From Working Divisions	- Rs.	26,000.00
c) From 12 Working Divns.	- Rs.	36,000.00
d) From MESA Gen. Hqrs.	- Rs.	50,000.00
TOTAL	- Rs.	1,15,587.00

B) Expenditure :

Sub. Hqrs. Annual Meeting - Rs. 23,405.00

C) Balance in hand - Rs. 92,182.00
